Thank you very much for helping keep the churchyard in good order. Your hard work is much appreciated.

If you are unable to cut the grass during the weeks assigned please swap with someone else.

The mower is kept in the shed and the keys should be passed from one person to the next on the list. Petrol is provided and kept in the shed.

Depending on the weather it may be advisable to cut the main area during your 1st week and then tidy up before handing over on the 2nd week.

If you have any queries or have problems with the mower please contact either Brigitte (brigittehilton@hotmail.com or 273848) or Pauline (davidson@leverton.fsnet.co.uk or 273526).
