Thank you very much for helping keep the churchyard in good order. Your hard work is much appreciated.

If you are unable to cut the grass during the weeks assigned it would be helpful if you could swap with someone else.

The mowers are kept in the shed and the keys should be passed from one person to the next on the list or returned to Brigitte or Pauline. Petrol is provided and kept in the shed.

If you have any queries or have problems with the mowers please contact either:  
Brigitte ([brigittehilton@hotmail.com](mailto:brigittehilton@hotmail.com) - 07875829241) or  
Pauline ([paulineanddavidson@hotmail.co.uk](mailto:paulineanddavidson@hotmail.co.uk) - 07941621937).
